Subject: RE: Dark Skies Ordinance revisions

Goodmorning Ms. Kachtik.

We have prepared some revised language, however it is currently under legal review for proper ordinance construction. We will have an updated draft that I can send you a little later today, however the revisions do not yet include modifications to the sign item as that will require additional discussions with the military in the coming weeks.

Thank you,
Chris

Subject: Dark Skies Ordinance revisions

Mr. Looney,

At the 11/19/08 meeting of the Infrastructure and Growth Council Committee, Mr. Sanchez stated that the proposed ordinance had been modified since the meeting of the Zoning Commission. As I recall, the changes related to (1) time - however, I do not see that anywhere in the ordinance, and I would like to know what Mr. Sanchez is referring to, (2) optional LEED lighting standards, and (3) further discussion on digital billboards.

If you recall, after the Zoning Commission meeting, you said that you would send me the latest updates.

I would appreciate receiving the one that reflects these changes tomorrow. It is not on the sanantonio.gov website.

Thank you for your cooperation.

June Kachtik, Chair
