Subject: UDC update

Updated UDC amendment packets are now available online at:

<http://www.sanantonio.gov/dsd/udc.asp>

Three packets are available:

1. Items for consideration on January 15 (the 2008 biennial update)
2. Items for consideration on December 11 (Military Lighting Overlay Districts)
3. Items for consideration on December 4 (Zoning text changes relative to car washes)

Questions on the 2008 biennial update may be directed to me at the contact information below. Questions on the Military Lighting Districts and Car Wash amendments should be directed to Chris Looney at 207-5889, christopher.looney@sanantonio.gov

A big thank you again to the Planning Commission's Technical Advisory Committee members who worked long and hard on making recommendations on these amendments, from July through October their meetings totalled over 1,040 hours of public participation.

Apologies if you received this email more than once, I was having a bit of difficulty with the UDC distribution list. Please let me know if you wish to be removed from further UDC notifications.
