Re: Checkout Lane racks and petition drive

Enclosed is this week's listing of offensive magazine covers at the HEB checkout lanes. Please ask Mr. Bill Anderson, VP, GM to show you pictures of the week at the checkout stands as well – they were sent to him first.

I am proceeding to collect petition signatures. So far I have received signatures from people living in the following zip codes:

78006	78009	78023	78154
78201	78209	78210	78213
78217	78218	78226	78227
78228	78229	78230	78231
78240	78245	78247	78248
78249	78250	78253	78254
78255	78257	78260	78659

Signers live in San Antonio, Uvalde, Castroville, Boerne, Helotes, El Paso, Paige, and Selma. When I reach petition goals, I will bring the petitions to you. This petition drive is no longer local (store #29).

Finally, I have noticed a family friendly change at HEB # 29's Checkout # 13. Thank you, I/we appreciate this. This lane is unmarked at this time and it is not always open - it would be helpful to have it marked and its hours posted.
