

PRESIDENT'S MESSAGE

Ted Trakas

As promised in the September newsletter, we are publishing correspondence we have received for the association. I hope you will find these informative. We invite any new messages you might have.

Now onto a practical matter. Vance Jackson Neighborhood, Inc. is a voluntary association. Mostly, our organization runs efficiently on a low budget. The association's biggest expense item is the newsletter you are now reading. It costs us approximately \$500 in postage for each issue. Our current treasury balance will last thru part of 2006, but then we will run short. I hate to make this sound like a KLRN pledge drive, but in case you have not guessed already, we need your membership dues!

November is our last issue of the newsletter for the year. As usual, we have included a membership form on the back page. One change is that we will honor membership payments for 2006 starting now, so send in your money and beat the holiday rush!
