

# **PRESIDENT'S MESSAGE**

*Ted Trakas*

Need another idea for something constructive to do in the New Year? Here's one. Attend our annual meeting on Tuesday, January 24th, 2006 at 7:00 p.m. in the parish hall at St. Matthew Church on Wurzbach Road.

I will give a short "state of the neighborhood" address, as President. Woody will explain what he has been doing with all the money we have entrusted to him, as Treasurer. We will request, cajole and beg for neighborhood representatives to sit on the association board of directors. We will hold elections for association officers. (Personally, I am trying to instigate a grass roots movement to "kick the bums out," but I am not convinced my strategy will work.)

As usual, our main event is the guest speaker.

We have invited Mr. Amezquita, Chief Appraiser of Bexar Appraisal District (BAD) to return. Mr. Amezquita spoke at our January 2004 annual meeting, and was warmly received – in a good way. He is sure to have more explanations and helpful information concerning this important, and virtually unavoidable part of the "cost of living" in this great city.

## **Current Officers:**
