

Good Citizen In The Summit

A GREAT BIG THANK YOU to the good citizen in The Summit who removed the graffiti from the signs at Tioga and Wurzbach. This gentleman insisted on taking no pay or credit for his work. "I'm just doing what any good citizen should do." So let's all take the example of this anonymous hero and keep our neighborhood safe, clean and beautiful.

[Note to Editor: Please be sure to substitute for Tim Healey's name in this article because he doesn't want to be recognized for his good deed ;-)]
