

Colonies House -- Summer is Coming!

It is March and preparations are already under way to have the pool and Colonies House ready for the summer. As we do every year at this time, we are recruiting new and previous members for the club. As I have mentioned before, the Colonies House facility belongs to us as long as we maintain it and keep it working. If you are not a member, you need to consider the value that a community pool brings to the value of your house. Membership was up last year but rentals to our banquet hall were down. We are working on increasing both.

Please come and check out the pool on the two open house days we have in May. Consider a membership as your vacation, one couple told me that they love to spend their evenings at the pool as a relaxing way to end the day. We will be starting swim team in May. The age groups for swim team go from 6-and-under through high school senior. We offer swim lessons, water aerobics, tennis and tennis camps. Go to our web site and download the membership form. You get a discount if you pay by the end of March. In order to allow you to break up the cost of membership, we will accept partial payments. You will have to be paid in full before you can use the facility. www.colonieshouse.com

I am still looking for a scuba diver. If you are a scuba diver or know one that could help us, please send me an e-mail at president@colonieshouse.com.
