

President's Message

Ted Trakas

Another slow news cycle this month, and as it turns out, the newsletter itself is our main story.

We have been making a concerted effort to update the mailing list we use to address these. The update has included removing duplicates, abbreviating names to fit within the confines of US post office specifications (37 characters), standardizing the way names are recorded (*as Last Name, First Name & Other Residents*), and coding VJ membership in the first line.

The mailing list has 3357 entries. Hopefully, we have achieved a 95% or better accuracy rate, but that's where you can help. If we got your name(s) wrong or not right, please email officers@vjni.org with the correct information. Please be sure to include your address. Thanks for your understanding.
