

2010 NISD Citizens Bond Committee

The 250 member Citizens Bond Committee has been meeting almost every Thursday for two months.

The Committee has brought back a recommendation to present to the Board of Trustees for a Bond Election. Now I know no one likes new taxes, but please remember that Northside is a very large, growing District so taxes will be spread over many taxpayers. Also remember that, if you are over 65, your school tax rate is frozen, and as long as you stay in the same home, your school tax rate will never be increased.

We hope that you have all had a wonderful Holiday season. Please watch for more information about a future Bond Election in the next few months.

Happy New Year,

Katie Reed
Northside ISD Board of Trustees
