

A Thank You

On behalf of Northside Independent School District, I would like to thank all the voters that supported our Bond Election.

Passage of this bond will allow us to continue to update our facilities and add the new ones to keep pace with growth of the student population.

Also, we just finished graduating over 5,000 students this year. Many of them will go to college and others to work, but all are prepared for the future.

Thanks Again,

Katie Reed

Editor's Note: Ms. Reed was kind enough to send this note prior to "leaving in the morning for the Grand Canyon". And we trust her trip had no other connection to the passage of the bond issue! 😊
