

President's Message
Ted Trakas

What a treat to be able to report more positive news.

Last newsletter, we reported on Councilman's Reed Williams' success in removing a pesky carnival that seemed to pop up almost overnight one day next to Powhatan.

This time we have news concerning progress by Bexar County for Rock Creek, an area that winds through the west side of the neighborhood, from IH-10 to Callaghan Road. Bexar County is now moving into the Detailed Design Phase, which will prepare the drawings necessary to construct the project. Construction is expected to begin in the Fall of 2011.

This project is not intended to create a miniature Phil Hardberger Park along the creek, but should make definite improvements to stabilize the area.
