

Colonies House News

As we head into the fall, the swimming pool has finished its regular season but tennis will be very active in the coming months.

Our tennis program has been growing with our new instructor John Thomas. For the fall, John is looking at adding a junior league and junior tennis team to the program. We are also working on hosting a Halloween mixer in October. Check the web site for more details or contact John Thomas directly at 210-535-5683 or jtjohnjr@gmail.com.

The Colonies House Dolphins Swim Team finished in fifth place in the Alamo Area Summer Swim League Northside Championships in July. Swim team will allow your child to improve and learn proper stroke and technique. Swim team starts in May and runs for approximately eight weeks. Consider joining swim team next summer, it is open to members and non-members.

Also remember that the Colonies House Banquet hall can be rented for your wedding reception, business conference, banquet or other special event. The Colonies House Banquet Hall can accommodate up to 280 guests and offers a large dance floor, full size kitchen, full size beverage area and natural wood burning fireplace. Contact Binky Hernandez at 210-699-3043 or rentals@colonieshouse.com for more information.

Editor's Note: Victor also asked if we could publish the detailed Colonies Swim Team results but his file was too large to fit in the newsletter. He's posted it on the www.colonieshouse.com web site.
