

Colonies House News

A BIG thank you to all our friends and neighbors who attended our first National Night Out event, October 5, 2010. The Night Out was a resounding success. Special thanks are owed to neighbors Carla Almeter and Kay Sorvillo for helping spearhead this event.

Three players from the junior tennis program played in their first tournament! Tatiana Hernandez, Adan de Anda and Sergio Martinez played in the October ZAT tournament here in San Antonio. These players have been working hard and it showed in their matches. Way to go, players!
