

## President's Message

Two special thanks.

The first thank you goes to Norma Wilson. Norma, who is our association Vice President, volunteered to chair the Esplanade committee. So far she's spoken with committee members, walked the Esplanade and marked timbers and posts needing replacement.

The second thank you goes to police officer Janellen Valle of the Prue Road Substation. She has been most diligent and active in communicating with neighbors, particular those in the Colonies North area. The constructive sharing of information between Janellen and neighbors has already yielded fruit.

In order to share crime watch data with a larger audience, I have excerpted and posted some of the correspondence as a 'Police Blotter' under 'What's New' on our web site, [www.vjni.org](http://www.vjni.org). For privacy concerns, I scrub names, street & email addresses, etc. in the postings.

Because of the dictates of time, I cannot promise that you will find the 'Police Blotter' current on an hourly or even daily basis, but you should still find its entries informative.
