Just a suggestion. If you want to trot out the same pony, that's fine by me.

Ted - Thank you for your reply. I would welcome the opportunity to visit with you prior to the group meeting so that I can go over our points in detail. I think it sounds unfair of you to characterize our offering without having met with us first. Thanks in advance for your time. I look forward to hearing from you.

Sorry I wasn't in. Michael S has in the meantime offered to set up a meeting at the Greatview Office building for all parties. I'm lazy so that's fine by me. I do have a suggestion though to consider prior to the meeting.

Just reiterating the 'alley' proposal will probably not be productive. I'd like to see you get creative and propose something that clearly is beneficial to all parties on Greatview and the neighborhood. I don't know what that is, so surprise us - in a good way.

Lucy,

I agreed to set up a meeting for neighborhood and business interests in the Mockingbird/Greatview/Foothills area.

I believe you're handling Mockingbird for Kaufman & McCombs. Pls call.
