It went really well. The developer agreed to all our requests and the zoning restrictions too.

I am waiting of course for the letter agreement and Deed Restrictions to be drafted by their attorney. The waiting game begins. Michael Schakelford did attend and he was very forceful and vocal in our support.

Thank you for your continued interest,

Debbie

Dear Residents of Shenandoah,

Thank you for taking the time to meet with me last week. The owner of the property for the proposed zoning case has hired a representative and is willing to meet with the neighborhood.

Debbie,

Would you please schedule a meeting at the club house for Monday, November 10, 2008, 6:30 pm.

Roy,

The club house is on Ramsgate Rd of IH10, in the Shenandoah neighborhood.
