Dear Vance Jackson Neighbors:

I'm a resident of the Vance Jackson area. I hope that you will assist the Methodist Hospitals at the Medical Center with this short public service announcement. Thank you for your assistance!

For the past 50 years, Blue Bird Auxiliary Volunteers have been at the heart of Methodist Hospital. Volunteers have touched the lives of thousands and thousands of patients and their families by providing excellent service in almost every area of the hospital.

We offer volunteers a wide variety of short and long-term opportunities and flexible schedules. You'll get free parking and a meal while on duty, discounts, and the chance to network with over 400 auxiliary members--a number of whom are your neighbors!
