November 1, 2010

Please join me Tuesday, November 9th at 6:00pm at the Clark High School cafeteria, (5150 De Zavala Road), for our next District 8 Townhall Meeting.

Staff from CIMS (Capital Improvement Management Services) will be on hand to answer any questions you might have regarding the new construction on DeZavala, Prue Road and Phase III of the Medical Center Improvements.

We would also like to invite you to attend the Groundbreaking Ceremony for the Medical Center Intersection Improvements, Phase VII (Medical Drive at Babcock Road) project. The Ceremony will be Wednesday, November 3rd at 10:00 am at the corner of Medical Drive and Babcock Road. The overall purpose of the construction is to redevelop the intersections and increase the flow of traffic within the Medical Center area.

I hope to see you at our upcoming meeting on November 9th and the Groundbreaking Ceremony on November 3rd. Please do not hesitate to contact my office if we can be of any assistance to you.

Sincerely,

Reed Williams
