Subject: burglars

.... I'm out in the field at the moment but I wanted to give everyone an update on two solid suspect vehicle's in our area .... the first is a 1997 Dodge pickup that is silver on bottom and black on top .... had one Latin male inside.

The second is a 2002 Pontiac Grand AM .... light colored, possibly gold. That one had two Latin males in it. We have license plates on both of these so if you spot them call 911 and give any part of the plate you can get.

Also a side note, remember how we talked about not leaving your garage door opener in your vehicle parked outside your house. Someone just got bit with that one. Take it inside with you every night or park in the garage for your safety please ....
