Subject: Animal Care Services information

Let's work together!

The City of San Antonio wants to work with YOU to address the stray animal problem in your neighborhood. This is a community problem...let's work TOGETHER to find a community solution! Please use the attached resources to make your neighborhood a safer, healthier place to live and play!

Please feel free to distribute this information at your gatherings or in your community newsletters and e-blasts! Looking for a speaker for your next neighborhood meeting? Want to volunteer in a way that helps pets *and* community? Interested in having ACS Mascots Chips and Salsa appear at your National Night Out Event?

Call Animal Care Services to schedule speakers, event participation and volunteer days at the shelter.
