

## The FEAST Summer Reading Program is Off to a GREAT Start!

*Adventures await you in great books you can check out of the Summer Reading library!  
To earn cash and prizes, sign up today!*

School is out and many children have extra time on their hands, so it's the perfect time to spark imaginations by exploring great books! Children that have won prizes in the past, can't wait to start reading! This is the second year we are offering the *Young Adult Program*, and we hope all ages will accept the challenge and spread the love of reading. With the world we live in relying on electronics for entertainment, summer is the opportune time for inspiring children to read. Sign up your children for the *FEAST Summer Reading Program* and help pass on the word to your friends, neighbors, and relatives, the *FEAST Summer Reading Program* is the only program that participants can earn cash and is open to all students! Come join the fun June 1-August 4!

**Cost too much in gas to drive to FEAST?  
We have a solution!**

**Young Adult Book Club**  
(ages 15-18)

**Next meeting is June 9 at 11:30am at FEAST**

The book, "A Case for Faith" student edition will be introduced by Celeste Gonzales and the details for the *Young Adult Book Club* will be discussed. Then for the next seven Thursdays young adults, ages 15-18, will meet and discuss chapter by chapter the thought provoking content of Mr. Strobel's book. It is an easy read that will strengthen your young adult's Christian Worldview as well as improve their debate skills as they discuss the book. The meeting will be short and the students are welcome to bring a sack lunch and continue the discussion while eating on the patio at FEAST. Bring a friend and get involved with something worthwhile this summer! [CLICK HERE](#) to read all about the options for young adults to participate in the *Summer Reading Program*!
