

## “O-1” Office Districts

### (1) Purpose.

The “O-1” district restricts uses primarily to offices and ancillary uses (for the purposes of this subsection, ancillary uses are those provided for the convenience of on-site tenants and which do not provide services or products to the general public) which do not have peak weeknight or weekend usage in order to provide a buffer between residential areas and more intensive uses. “O-1” districts provide for the establishment of low to mid-rise office buildings. Uses within an “O-1” district are limited to uses incidental to the needs of the occupants of the building and are not designed to serve a regional market area.
